

A Premium Well Worth Earning.

Beautiful China, Decorated in Three Colors.
Pure white back ground, Gold edges.

This ware is beautiful semi-porcelain of American manufacture. We have given away thousands of sets as premiums for club-raisers. We do not sell them.

The few pieces shown above are simply as samples to exhibit the style of shape and decoration of the set.

We have two sets of this china: First, a 56-piece set, which consists of 12 plates, 12 fruit-saucers, a teapot and cover, a sugar-bowl and cover, a creamer, one bowl, one dozen teacups, one dozen saucers to match, one bread-plate and one cake-plate. We have also a dinner and tea set combined, consisting of 84 pieces. This dinner set comprises 12 dinner-plates, 12 tea-plates, 12 cups, 12 saucers to match, 12 fruit-saucers, 12 individual butter-plates, two cake-plates, one teapot and cover, one sugar-bowl and cover, one creamer, one bowl, one large meat-platter, one large, stylish gravy-boat, and one large vegetable-

dish and cover, making in all a complete dinner set of 84 pieces.

We will send the 56-piece tea set to any of our friends who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and \$1 additional money to help pay the expense of packing and shipping.

We will send the 84-piece set to anyone who will send us a club of 10 yearly subscribers to THE NATIONAL TRIBUNE at \$1 each, and only \$2 additional money to help meet the extraordinary expenses connected with this offer. These handsome sets of china are securely packed in barrels, and will be sent by freight, the receiver paying charges.

The freight expense will be very trifling—seldom exceeding 50 cents—as we shall have them shipped from the pottery, which is located in the center of the country.

TESTIMONIALS:

Editor National Tribune:

I count myself fortunate in securing so valuable a book as Headley's History of the Rebellion, and so newsy and interesting a paper as The National Tribune for almost nothing.

You have given the people a literary bonanza, and they should appreciate it by adding their names to your subscription list.

Fraternally, Horatio Mack, P. M.

Warnerville, N. Y.

Editor National Tribune:

I hasten to inform you that the books for both parties came to hand all right Saturday night; also the paper. We are well pleased with the investment. I will now have the goods to show to those whose patronage I solicit for subscription. I consider it good value for the money asked. Thanks for prompt filling of orders to date.

Respectfully yours,

Lorenzo D. Burchard.

Marshall, Tex.

Editor National Tribune:

I take pleasure in informing you that the silver set, china set and books reached us in excellent condition, and I am very much pleased with the same. Please accept my thanks for them. I scarcely feel as though I had earned them, as the matter of getting up the club was mere pleasure.

Wishing you success, I am, yours fraternally,

J. O. McNair.

Crestline, O.

Editor National Tribune:

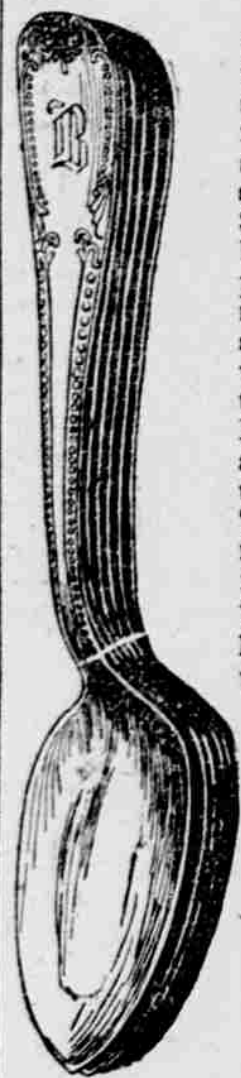

I received the silver set all right last week, and am delighted with it. I think it is beautiful, and it went beyond my expectations. I have showed it to a number of my friends, and they all agree with me that it is beautiful. Please accept my many, many thanks for it. I will try and send you some more subscribers within a few weeks.

Respectfully,

Pearl Baer.

SET OF SIX Silver-plated Teaspoons

FREE For a Club.
See Offers Below.

These teaspoons can be used in cooking, eating and medicines the same as solid silver. They will not, cannot corrode or rust. Teaspoons of equal merit are sold in jewelry-stores for \$1.50 and \$2.00 a set; but because we buy at factory prices, and because we do not make any profit on the spoons (the subscription is what we want), we furnish them at a great bargain. In beauty and finish they are perfect, and for daily use there is nothing better. The base of these spoons is nickel-silver metal, which is silver color through and through, and is then well plated with coin-silver.

Will Stand Any Test.

To test these spoons, use acid or a file. If returned to us we will replace, free of charge, the spoon damaged in making the test, provided you tell some of your neighbors what the test proved. We make this offer because such a test is the best advertisement we can get, leading as it does to additional orders. We absolutely guarantee each and every spoon to be as described and to give entire satisfaction or money refunded.

Size Reduced.

Each and every spoon will be engraved free of charge with your initial letter.

We will send a set of these beautiful teaspoons, marked, post-paid, for a club of only three yearly subscribers at \$1 each.

HINTS TO CLUB-RAISERS.

Always bring to the front the list of valuable books for the library that go with the paper free.

Bear in mind that thousands of subscriptions for all classes of papers are expiring at this season. Many people spend only about so much each year in subscriptions to periodicals. If you take hold and see them in time, you will get their subscriptions for your club instead of its going to some other club-raiser who was there ahead of you.

Always have a fresh, bright-looking copy of the paper to show. It is more attractive. We will keep you supplied if you drop us a postal-card.

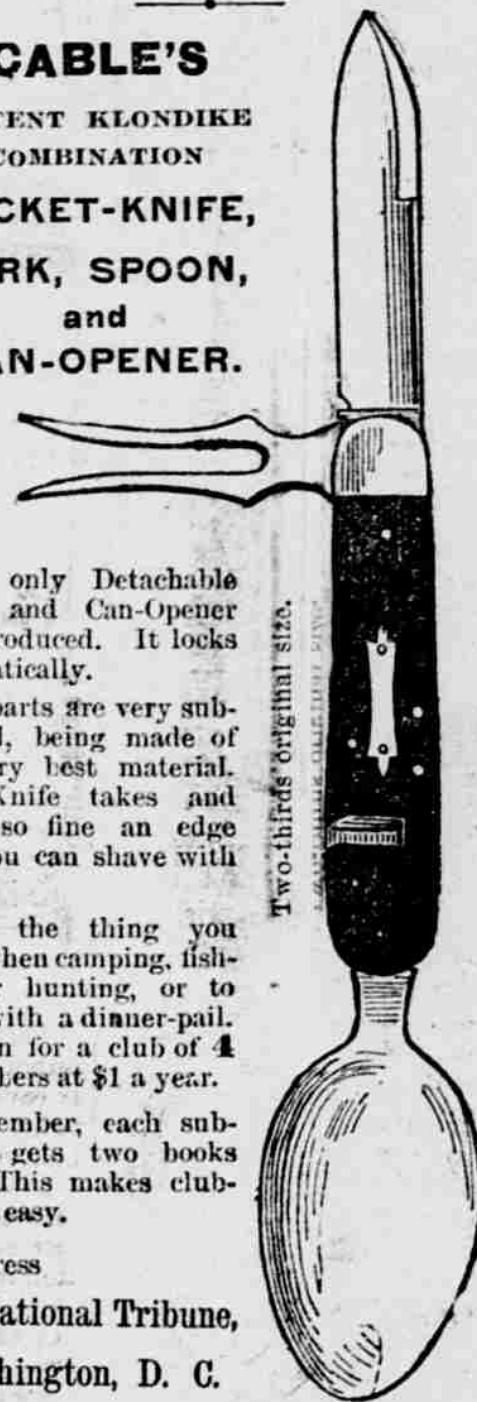

Try and know something about the tastes of the person whose subscription you solicit, and call attention to the features of the paper most likely to please each one.

Remember that all persons who have children being educated should take this paper, because it contains every year a vast amount of historical matter that is necessary to a liberal education.

NEW PREMIUM FOR CLUB-RAISERS.

CABLE'S

PATENT KLONDIKE
COMBINATION
POCKET-KNIFE,
FORK, SPOON,
and
CAN-OPENER.

The only Detachable Spoon and Can-Opener ever produced. It locks automatically.

All parts are very substantial, being made of the very best material. The Knife takes and keeps so fine an edge that you can shave with it.

Just the thing you want when camping, fishing, or hunting, or to carry with a dinner-pail. Given for a club of 4 subscribers at \$1 a year.

Remember, each subscriber gets two books free. This makes club-raising easy.

Artificial Limbs Free.

We have made an arrangement with the leading manufacturer of artificial limbs in the country to supply our friends through us without the outlay of any money on their part.

Should any comrades be in need of a leg or arm, we invite them to correspond with us on the subject. We propose to buy the limb for them in return for a club to this paper. We cannot in advance decide what the size of the club will be, because it will vary according to the case. A leg above the knee, for example, costs more than below the knee.

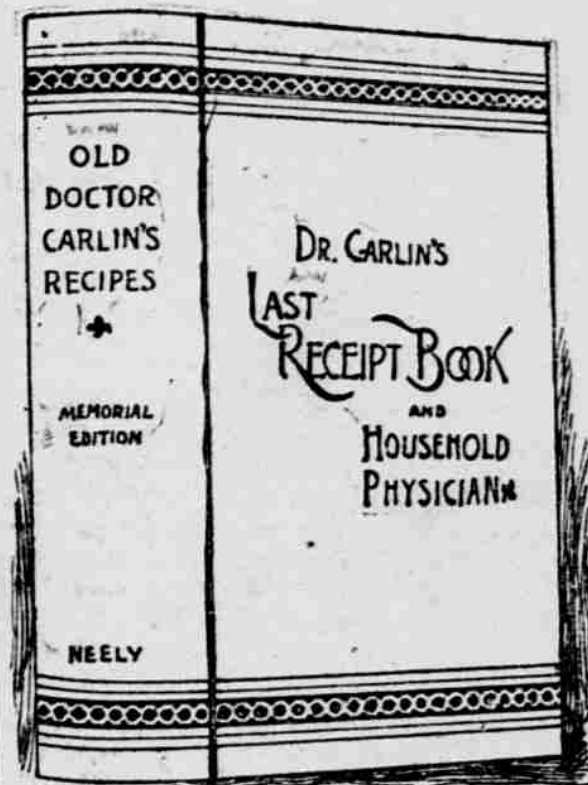

Write us what kind of leg, or foot, or arm you need; whether below or above the knee or elbow, and whether a rubber foot or ankle joint is preferred, and we will give prompt attention to each case and make the club as small as possible.

A very little trouble may in this way secure the leg or arm by canvassing among friends. It is not asking a contribution from them, because you give them full value for their money, and you thus earn the leg by congenial and easy work. If a veteran to whom a leg is due from the Government, the comrade may draw the money and use it for other purposes and have the leg also.

Write us at once, and get the leg before the holidays.

OLD DR. CARLIN'S

The Great Domestic
Receipt Book.

This is the most valuable collection of receipts for all family purposes ever printed. It covers all branches of medicine, surgery, veterinary practice, mechanical devices, household repairs, and every kind of cookery.

It is a clothbound book of 600 pages, well printed and carefully indexed for instant reference to any subject upon which information may be wanted.

This magnificent book is sent postpaid to any address as a premium for a club of only two yearly subscribers to THE NATIONAL TRIBUNE at \$1 each.

THE ATLANTIC ISLANDS.

The Cruise of the Montauk to Regions of Special Interest.

This handsome book of 441 pages, cloth bound, and illustrated, contains a graphic description of a voyage to many places of special interest in view of the pending war with Spain. It includes a description of Bermuda, St. Kitts, Martinique, Jamaica, the Bahamas, the Florida Coast, and ports along the Caribbean Sea and Gulf of Mexico.

The story is delightfully told, the descriptions are accurate and graphic.

The book will be sent, post paid, as a premium for a club of only two yearly subscribers at \$1 each.

HANDSOME SILK UMBRELLA.

We send a handsome black silk umbrella, with steel rod, paragon frame curved Congo handle, silk case and tassels, close rolled, and extra finish, for a club of only TEN yearly subscribers to THE NATIONAL TRIBUNE at \$1 each.

We have two new watches that we guarantee. They are of American manufacture according to latest improvements in the chronographic art. We call them "Our Specials," and both are stem-wind and stem-set movements, jeweled, open face, with compound white metal cases. This metal is composed chiefly of nickel, and wears the same clear through.

The case of the ladies' watch will also be sent either plain or in an engraved case as wanted. The style of the engraving is shown in the illustration on the right, and it is very tastefully done. The terms are the same whether for plain or engraved.

We know these watches will suit, and we are especially proud of the ladies' watch, because for years we have tried without success to get an American-made timepiece of this size at a reasonable price and fit to guarantee. Ladies' watches of foreign make have proved unsatisfactory, and the American movements heretofore have been too expensive. Now, however, we have it so near absolute perfection that we do not look for substantial improvement in our lifetime.

"Our Special" men's size will be sent postpaid as a premium for a club of six yearly subscribers.

"Our Special" ladies' size will be sent postpaid as a premium for a club of seven yearly subscribers. The smaller a watch is the more it costs.

A BEAUTIFUL GOLD PENCIL.

This beautiful gold pencil carries standard sizes of leads, which can be replaced at any stationery store. It has a ring at the top, and can be attached to a guard or watch-chain. It is sent postpaid to any address as a premium for a club of only two yearly subscribers. It comes filled with leads, ready for use.

TESTIMONIALS:

Watertown, N. Y.

Editor National Tribune:

I beg to acknowledge the receipt of the ladies' watch this morning. It came in good shape, and to say that my daughter was pleased with it would not begin to express it. Many of the subscribers I have sent you say they are going to get up clubs; some for books and others for watches, etc. I encourage them to do so all I can, as I want to see as many as possible readers of the best soldier's paper, and not only that, but the best family paper in the country. One of the subscribers

(not an old soldier) stated to me that he was glad I induced him to subscribe, as The National Tribune gave him the best information in relation to the Cuban question that he had been able to procure anywhere.

Frank Youngs

Editor National Tribune: I have received my watch, and it appears all right. I think all subscribers have received their books. Much obliged for the presents; they are very nice.
